

"Your Guidance System for Life Success"

Our Goals

- To equip American children with proven Principles, Values, and Tools for pursuing success in their lives.
- To promote healthy Relationships and Teamwork for children, their families, and the environments they live and learn in.
- To equip schools, families, and organizations that serve children with how to create Safe, Healthy, and Productive environments that their children can thrive in.
- To help promote Positive Change in our communities, country and the world, one Child at a time.
